

MORE FAITH

BY LISABETH REBNEY

*"Now faith is confidence in what we hope for and assurance about what we do not see."
Hebrews 11:1 NIV*

MOVE.

Abram heard it from God in Haran. (Gen 12:1-3) Hadassah heard it through a Persian king's decree. (Esther 2:8) Simon heard it from Jesus in Galilee. (Matt. 4:19) Saul heard it from Jesus on the road near Damascus. (Acts 9:4-6)

Each one chose to give up everything familiar, to follow God into something he or she never could have dreamed of. Abram became Abraham and fathered a nation. Hadassah became Esther and saved a nation. Simon the fisherman became Peter, the fisher of men. Saul the persecutor became Paul the preacher.

We of EPAC, too, are being called to move. Not locations or occupations, but from the familiar to something possible only with God. The opportunity for "more" requires us to be confident in Who we're hoping in, and to be fully assured that He has given us what we're hoping for.

PRAYER

Oh Lord, open our ears to hear you calling us. Open our eyes to see you showing us the way. Open our hearts to believe you for greater things than we ever have before. We thank you for victory. We take it now, by faith, in Jesus' name. Amen!

QUESTION

What big dream has God put in your heart? Are you willing to set aside the way you used to do things in order to do something new?

CHALLENGE

Change the way you get to your office, classroom, or frequently-visited place by going a different way, or by using a different mode of transportation.
